## CONTRACTOR SUBLIST

Dear Contractor:

The City of Palm Desert has a business License tax ordinance requiring all state licensed contractors and subcontractors working in Palm Desert to have a business tax certificate.

Section 5.20.020 and 5.78.010 (B) of the ordinance requires all primary contractors and owner/builders contracting with licensed contractor and subcontractors in constructing a project, to provide the City with a list of all their subcontractors and delivery companies, other than common carriers. Each company or person must obtain the required business license certificate before a final inspection of the project will be given.

**YOU MUST SUBMIT THE LIST IN ADVANCE OF YOUR REQUEST FOR A FINAL INSPECTION.** This will enable the City to ensure that all subcontractors and delivery companies have a business license tax certificate. The following information must be provided for each subcontractor or individual on the list: NAME, ADDRESS, PHONE NUMBER, STATE CONTRACTORS NUMBER AND CITY BUSINESS LICENSE NUMBER.

It is recommended that you require all of your subcontractors to show proof of the business license tax certificate before allowing any work to be started. This will prevent any delays of your request for a final inspection.

If you have any questions or concerns regarding this list, please contact the Business Support Center at (760) 346-0611.

Sincerely,

Eric Ceja  
Economic Development Director
